effort from her team.

“We were able to handle a very young team without difficulty. Coach Johnson is rebuilding as a new coach at Diamond Hill. They were able to play and do the things that were needed to compete. We were happy to leave Diamond Hill with a 1-0 District record.”

Lofton said it took all of her players to earn the win, but added that a return of one of the team leaders provided a nice boost for morale.

“It was a team effort in achieving the victory,” Lofton said. “It was also very comforting to have our point guard Giuliana Lucero back from two and a half weeks of concussion protocol. Looking forward to her quarterbacking our team into a successful district season.”

With non-district under their belt, Lofton said, “I think the non-district season toughened us up mentally and physically. We played several 5 and 6A teams in several tournaments. We are now focused on starting a fresh and brand-new season as we start our district play.”

On the mat, Benbrook hosted the FWISD Tournament this past weekend, and coach Wade Cribbs said he was proud of the way his teams competed.

“They performed extremely well at the FWISD Championship,” Cribbs said. “The Girls team got second, falling just behind LD Bell. They were led by Bailey Lott's first place win. Brileigh Satterwhite, Mya Fenner, Zoe Clark, and Kiley West all received second. The medalists were rounded out by Judith Jiminez and Katie Loyd who got third.”

On the boy's side, the Bobcats won the tournament championship for the fourth straight season.

“Standouts were Erik Morrison, Mac Shafer and Desmond Chambers who were all tournament champions,” Cribbs said. “Ty Nelson, Gavin Henderson, Phillip McFadden all got second. Christian Cannon rounded out the medalists with a huge third place finish.”
