The performance on the boy's side helped the Bobcats clinch the tournament championship over second place South Oak Cliff by 69.5 points.

"This tournament had 20 schools and Benbrook was by far the smallest," Cribbs said. "But definitely had the most fight."

Benbrook will host the FWISD championship at Wilkerson Greines tomorrow and Saturday.

On the court, the Benbrook boy's basketball team competed in the Brock Tournament this past weekend, and Coach Blake Mendez said his team competed well.

"This tournament always has great competition and this year was no different," Mendez said. "We started Thursday strong with a win over Godley, but ran into a juggernaut in Martins Mill and dropped game two, which put us in the silver bracket. We played a tough Ponder team, and we felt like we were the better team for three quarters, but they have a great program and we couldn't hold on to a late lead. "Our last game, Springtown, gave us everything we could handle, and even though we didn't shoot wells we were able to play good defense and got a 4-point win."

Mendez said Brennan Barton, Jayden Hall, and Cael Denson "were huge" for the Bobcats.

"They're so crafty and extremely tough to guard," Mendez said. "They had a great tournament."

Benbrook will be competing in the Wildcats Hoops Tournament this coming weekend, and Mendez said it will likely be tough sledding.

"We are in a competitive pool, but we know we have a good team capable of getting us into that winner's bracket," Mendez said. "We hope to fix some things we know we need to get better at and compete for some hardware."
