## High School Softball: Benbrook Lady Bobcats Earn Fifth Consecutive District Championship

The Benbrook softball team has wrapped up another district championship and appears to be firing on all cylinders as the playoffs approach.

The Lady Cats defeated Diamond Hill-Jarvis by a score of 21-0 last week, and coach Emilie Blair said it was a strong effort from her team.

“We won in three innings,” Blair said. “It was a great all around team performance. We were very disciplined at the plate.”

Benbrook wrapped up the regular season with Western Hills on Tuesday night after the paper had gone to press.

This was Benbrook's fifth consecutive district championship in softball.

Over at Western Hills, the Lady Cougars defeated Carter-Riverside in another barn burner, this time by a score of 30-23.

Western Hills defeated the Lady Eagles 28-17 back on March 19. (continued on page 2)

In baseball, Western Hills came up a little short against Carter-Riverside last week, and coach James Holcomb said he was impressed by the way his team never gave up.

The Cougars lost last Tuesday to Carter by a score of 15-10 and followed it up with a 3-2 loss on Friday.

“They were two very different games, but two very competitive games,” Holcomb said. “In game one, we just made too many mistakes, and game two, we couldn’t get the big hit when we needed it. Our starting catcher went down with a hamstring injury early in game two, and after moving some pieces around had some guys compete their butt off at positions they weren’t used to.”

Andrew Zabala (6IP 1ER 3H 9K), Jayson Aden (4-8 3RBI), Miguel Gobeia (3-7) and Adrian Gomez (2-4 3BBs 2RBI) had strong efforts for the Cougars.

Western Hills plays Eastern Hills this week, and Holcomb said his team will have it's work cut out.

“I expect a competitive series,” Holcomb said. “We need to clean some things up and get in a groove for the playoffs if we are lucky enough to get in.”

Over at Benbrook, the Bobcats defeated Dunbar by scores of 17-0 and 14-0 last week, and coach Justin Chavez said he had no complaints.

“Against Dunbar we did exactly what we wanted to do,” Chavez said. “We had a ton of guys pitch and had a one hitter in both games.”

Against Sanger on Saturday, Benbrook rallied from a 5-4 deficit late to win 10-5.

“Jax and Hudson Stockton each pitched with Hudson getting the win,” Chavez said. “Hudson still has a 0.00 ERA for the season. At the plate, Giuliano Martinez, Santiago Cruz, Ethan Smith, Ethan Tucker, Ethan Gonzales and Jax Stockton (2 doubles) had doubles on the day. Jax, G, Santiago, and Jaeden Powell had multiple hits.”

Benbrook plays Diamond Hill-Jarvis this week and Chavez said this is Benbrook's most important game of the season.

“This is for the district championship,” Chavez said. “We are both undefeated in district play. They have some really good

arms, but we need to work their guys and get to their bullpen. We have really good arms as well and more of them so we have to continue to play really good defense, pitch well, and have some timely hitting. We split the series last year, so we want to win the district championship outright this year. We are excited about the opportunity.”

## Children's Rights Activist, Edna Gladney *by Dr. Ken Bridges*

“It is easier to build strong children than it is to repair broken men,” is the famous quote from writer and abolitionist Frederick Douglass.

Countless men and women have dedicated their lives to helping children. Most successful people in the world will point to those special influences from their childhoods for their inspiration.

Texan **Edna Gladney** devoted her life to improving the lives of children, providing love and finding homes for children. Gladney began a movement that made life better for children across the state.

Gladney was born in Milwaukee, Wis., in 1886 to a young woman named Minnie Nell. Her mother was 17 at the time she gave birth and unmarried, considered scandalous at the time. Very little was known about her father. However, her mother later married a hard-working clerk. After her stepfather's death in 1904, her mother sent her to Fort Worth to live with relatives.

While living on Fort Worth, she met Sam Gladney. The two married in 1906. Already, she had an interest in helping children as she joined the board of directors for the Texas Children's Home and Aid Society by 1910. In 1913, she and her husband moved to Sherman where her husband opened the successful Gladney Milling Company. Gladney herself joined the Sherman Civic League and became deeply involved in local causes.

A visit to the Grayson County Poor Farm changed her life. Like many other southern counties, Grayson County had established a farm where the poor, mentally ill, homeless, orphans, and elderly could live and work to earn their rent. However, the facility had been neglected for years, and Gladney found children at the facility in appalling conditions. She began sending many of the orphans at the facility to the Texas Children's Home in Fort Worth. Along with other women in Sherman, she organized a free day care and kindergarten facility to help working women, financed by the Glad-

neys and local businesses.

In 1927, she was named superintendent of the children's home and worked tirelessly for the education of the children and attempted to find them good homes.

She believed that children should not carry the stigmas of their parents' actions. By the 1930s, she expanded the home's reach by adding programs to help unmarried mothers.

Gladney also began a campaign to change the state law to remove the word “illegitimate” from the birth certificates of children whose parents were unmarried or who were being given up for adoption. Supporters went so far as to say that she knocked on every door in Texas to make the change, though an exaggeration. In 1936, Gov. Jimmy Allred signed legislation ending the practice of marking children as “illegitimate” on their birth certificates.

Her work began to change many attitudes about children, ensuring that in loving homes there would not be a difference in treatment for “illegitimate” or “adopted” and those born under other circumstances, that they would all just be seen as children and as worthy of love and a chance for a good life as anyone else.

In 1941, a movie was made about Gladney's life and work, “*Blossoms in the Dust*”, though portions of the story were fictionalized. It starred famed actress Greer Garson as Gladney and Walter Pidgeon as her husband. The movie was nominated for four Academy Awards in 1942, including Best Picture and Garson for Best Actress. The film won the award for Best Art Direction.

In 1950, the children's home bought the adjacent West Texas Maternity Hospital, and the board of directors changed the name of the entire facility to the Edna Gladney Home in honor of her work.

She continued to work with abandoned and orphaned children for the rest of her life. She died in Fort Worth in 1961, having placed thousands of children in safe and loving homes.

The Edna Gladney Home continued the mission she had started after her passing. Within a few years of her death, the facility had expanded to include an on-site middle school and on-site high school, coordinating with Fort Worth school officials.

By the 1980s, the organization included services for expectant mothers off-site, counseling services, parenting classes, and services to help adopted children find their biological parents through a voluntary registry system.

In the 1990s, the home was renamed the Gladney Center for Adoption. It has now found homes for more than 20,000 children and celebrates a century-long tradition of providing hope and love for children.
